

Plan an explanation

Use the following graphic organiser to take notes and plan your explanation of how to make mochi.

Title of my explanation: _____

General statement What are you going to be explaining? What is some general, basic information about what the subject is?	
Explanation sequence Give step-by-step instructions for the process. Make sure steps are in order. If you need more steps, use the back of the sheet. If you think a picture or diagram would help, draw it on the back of the sheet.	1.
	2.
	3.
	4.
Conclusion Restate the name of what you are explaining, and add a statement about the finished product.
