

Character connections

Write the name of the character you will be investigating in the box at the top of the second column. After reading the story, look at the questions about circumstances and personality traits and fill in as many as you can for your character. An extra box has been left for you to include your own observation about the character.

Now provide responses for yourself in the column marked 'Me'. In the final column, describe the degree of similarity between you and the character using one of the following words or phrases: *completely different*, *mostly different*, *mostly the same* or *identical*.

Circumstances and personality traits	Character	Me	Degree of similarity (see above)
Living circumstances (home/school/city or country)	Maddy goes to a school that doesn't have a lot of money		
Social circumstances (family and friends)			
Interests or hobbies			
Describe their personality in three words			
The character's reaction to difficult events			
The character's reaction to pleasant events
