

Identifying and using sound repetition

Complete the table with examples of each category of literary aural (sound) devices. Find as many as you can in the story 'Phantoms of Madagascar', then make up your own to finish the table. Circle the repeated sound in each example.

Alliteration (repetition of the first sound in nearby words)	Consonance (repetition of a consonant sound in nearby words)	Assonance (repetition of a vowel sound in nearby words)	Rhyme (repetition of the final sound cluster in multiple words)
sniffing and scribbler	clear and clouds	pen and get	whale and sail

Write your own sentence or paragraph using one of the literary devices described above. Mark the sounds that are repeating.

What is the name of the sound device that you used?

I used _____.
