

# Identifying cultural information

'Missuk's Snow Geese' is set in the land under the northern lights. In this story, we learn a lot of information about what life might be like in this part of the world because the author weaves facts into the narrative.

Write five pieces of information that are provided about Missuk's house, the surrounding environment or the culture in the story into the boxes in the table below. Copy the text and/or describe the illustration where each piece of information is given. The first one has been done for you.

Information found	Found in the story, in the illustration or both?	Quote from the story or description of the illustration
Gloves are made from seal skin	In the story	'Missuk watched as her mother cut a large mitten shape, a palm, and a thumb shape from a swatch of seal skin.'
