**The World of Geoffrey McSkimming
and Stories**

Reading is a great treasure to take all through your life!

Top 3 Tips

1. Be in charge of the story—know what the mystery is and what the solution is. Use red herrings or false clues to throw your readers off the scent.
2. Use history or things that have really happened as the basis for your mystery.
3. Have characters who are exciting and interesting and make sure your story keeps moving forward and has lots of energy—keep your readers on the edge of their seats!
